DISCLOSURES

- **Successful Completion** – To receive nursing contact hours, attendees must pre-register, participate in all of the educational sessions, and complete the online evaluation. The link to the online evaluation will be emailed to participants (to the email address provided at registration) upon conclusion of the activity.
- **Contact Hours** – Participants meeting the successful completion requirements will receive 4.25 contact hours.
- **Relevant Financial Relationships** – This educational activity does not include any content that relates to the products or services of an ineligible company/organization, which would require identification and mitigation.
- **Joint Provider** – This conference was jointly provided by the Missouri Nurses Association, as a part of the Midwest Multistate Division, and the Missouri Organization of Nurse Leaders.

What is the Midwest Multistate Division? The Kansas State Nurses Association, Missouri Nurses Association and Nebraska Nurses Association formed a collaborative, namely the Midwest Multistate Division (Midwest MSD), with the goal of promoting efficiencies and growth. As part of this collaborative, the Midwest MSD Professional Development Unit (PD Unit) was formed, which is accredited as an ANCC approver and provider of NCPD, to address the educational needs of nurses in the Midwest region.

The Midwest Multistate Division is accredited as a provider of nursing continuing professional development by the American Nurses' Credentialing Center's Commission on Accreditation.
